

# Hypercom® T7 Plus

1SOURCE

POWERED BY FIRST DATA  
SUPERIOR SOLUTIONS. INFINITE POSSIBILITIES.™

The Hypercom® T7 Plus terminal builds on the heritage of Hypercom's popular T7 family of terminals. The latest model is designed for merchants requiring a compact countertop POS terminal accepting and delivering fast online transaction authorizations.

TERMINALS AND PERIPHERALS

## SOLUTIONS SHEET

### Hypercom® T7 Plus

Multi-payment capable point of sale terminal that delivers fast transaction authorizations

### WITH THE HYPERCOM T7 PLUS TERMINAL, YOU CAN PROCESS:

- ALL MAJOR BANK AND CREDIT CARDS
- PIN-SECURED AND SIGNATURE DEBIT CARD TRANSACTIONS
- GIFT CARDS
- CHECKS - INCLUDING USE OF TELECHECK® SERVICE
- PURCHASE CARDS
- ELECTRONIC BENEFITS TRANSFER (EBT)

### A LOOK AT THE FEATURES

- Integrated SureLoad™ thermal printer - with simple drop and load paper feed
- 512k memory
- 2400 bps modem for fast transaction times
- Compatible with the Hypercom S9 and S9C PIN pads for PIN secured debit

### ADVANCED FRAUD PREVENTION

- Meets association account truncation requirements - customer receipts show only last four digits of card number, helping protect consumers from fraud and identity theft
- Password protection prevents unauthorized downloads
- Manager password controls help ensure transaction security

### AVAILABLE WITH SPECIAL, FEATURE-RICH, INDUSTRY-SPECIFIC APPLICATIONS

- Restaurant - includes IRS TRAC reporting, gratuity guidelines, bar tab and server reporting functions
- Retail - includes purchase card and gift card options
- Lodging - includes password protection, tip percentage guidelines, auto-close and demo mode functions
- Auto rental

*For more information on the Hypercom T7 Plus terminal and the available industry-specific applications, ask your sales representative for a Product Data Sheet.*
